For Generations of Scholastics

Since 1858, our school has been a pillar of education and community, standing strong through generations. We are proud to continue this heritage, ensuring that our students are equipped with the skills and knowledge they need to succeed in the world. Our faculty and staff work tirelessly to create a safe and supportive environment where students can thrive.

Thank you for being a part of our school family. We look forward to seeing you at our upcoming events.

The Largest Dental Education Event
WEST 2019
The 2nd Annual Dental Innovation Event
The 100-Year History of Whip Mix Corp.

Whip Mix Corporation was founded in 1919 by Albert H. Seidman. The company was originally known as the American Dental Supply Company and started as a small business specializing in dental supplies.

In 1931, the company introduced its first dental amalgamator, the Model A. This innovative product revolutionized the dental industry and helped to establish Whip Mix as a leader in dental equipment.

Over the years, Whip Mix has continued to innovate and expand its product line. In 1950, the company introduced the Model C amalgamator, which featured a new design that made it easier to use and more efficient. Whip Mix also expanded into the area of dental manuals, and in 1960, the company introduced the Model D amalgamator, which was the first amalgamator to feature a built-in motor.

In 1970, Whip Mix introduced the Model E amalgamator, which was the first to feature a digital display. This product was a significant milestone for the company and helped to establish it as a leader in dental technology.

Today, Whip Mix is a leading manufacturer of dental equipment and supplies, and continues to develop innovative products that help to improve the quality of dental care.
